Dear Obedience client,

Our puppy kindergarten classes are for dogs who have had their first 2 sets of shots, up to about 5 months of age. Our beginner obedience classes are for dogs 5-6 months and older. The classes are 8 weeks long, one hour per week. On the first class you **will NOT bring your dog**. This lesson will be for you only, as you need to know how the concepts of this training will work and you will be able to go home and work on the training with your dog in a comfortable environment before the next week. With only the handler at the first class you will be able to ask questions without the distraction of your dogs. All the classes following you will bring your dog. Please remember to bring your dog's **favorite** treats (preferably a semi-moist) like wieners, cheese, liver treats, etc to class. Have your dog wearing a buckle collar, halti or gentle leader (no choke chains or pinch collars) and a leather, nylon or cotton lead that is easy on your hands. You are responsible to **ALWAYS** pick up after your dog at classes, or anywhere that your dog does his/her eliminating. Proof of vaccination will be required for parvovirus, rabies, and canine distemper. Bordatella vaccination is optional. You can send a copy with the registration if you prefer. Make sure it is a copy not the original.

We will need a filled out registration form sent to us with a cheque (or cash) of \$120.00 for the class fees (you will receive a receipt for this at the first class). **PRE REGISTRATION ONLY**. The classes will be held at 518C 44th St. E at the Paws'n Train Dog Training Centre. Please make the cheque payable to: **Paws'n Train**

We must receive the form and cheque prior to the starting of classes, class size is limited and on a first come basis. Please send registration form with cheque to Paws'n Train, 518C 44th St. E Saskatoon SK S7K 0W1 or drop off the form/fees at the training facility in the mailing box. Classes are **limited** in size. Classes are filling fast, it is recommended if you want to get into this class that you drop your registration and fees in our mailbox.

No refunds after 14 days of receiving registration form/fees.

Our method of training is with a clicker, positive reinforcement and treats. If you have any questions, please feel free to contact us at 955-5470.

Sincerely,

Venessa Martens - Paws'n Train Dog Training
